Blackboard Learn Tutorials:
Adding Basic Adaptive Release Rules

1. Access the file that you need to set up Adaptive Release in content area.
2. Click on the chevron to the right of the Exam Review file, and then Adaptive Release.

3. On the Adaptive Release page, check Display After and Display Until, then select the date and time for the starting and ending points when users are able to access this file.
4. Next in **Membership**, click **Browse** button.

5. In the **Course Membership** page, enter part or whole of a username after **Term**, then click **Go**.

6. In the search result, check the user you would grant permission to the file, then click **Submit**.
7. Check the Adaptive Release page whether it has all rules you want to set, then click **Submit**.
